Part 1

Now that you have completed the Pre-Viewing – Vocabulary activity, let’s watch the video. As you watch, put an **X** in front of the combinations that you hear. The first has been completed for you. If you don’t hear your combinations, perhaps you need to make changes!

Part 2

In this video you will learn some Early Actions for a Successful Year. Put the following actions in the correct order. Write the number **1** in front of the first action a student needs to take, **2** in front of the second action a student needs to take, etc. The last one has been done for you.

- Make sure all your registration paperwork is complete.
- Attend class.
- Learn about services before you need them.
- Take a placement test.
- See an advisor.
- 6** Meet with your instructors during office hours.

Part 3

What kinds of student services does the narrator mention in the video? Put an **X** in front of all the services that you hear mentioned in the video.
